Mobile Bike Service at biker event

WygodnyRower.pl

Mobile bike service and technical support for events

Our proffessional technical facilities allow setting-up mobile service point for bike services and repairs at any location in Poland.

We'll help organize an event for your company. We'll support with our services any biker event.

Our technical facilities:

- mobile service wagon,
- tents.
- repair bike stands,
- audio system,
- electric power generator,
- ...and all the tools necessary at open-air events!

We have experience in organizning this type of events.

Contact us to get information about cooperation.

They trusted us

- over **10 years of experience** in the area
- over **40 events** held all over the country
- over 10 000 fixed bikes and happy clients
